PHP 
HTML CSS 
JavaScript 
Nodejs 

ABOUT ME

Dynamic and detail-oriented Computer Programming student with hands-on experience in web application development. Successfully developed a fruit-selling website, focusing on UI/UX design and order processing while utilizing Bootstrap, PHP, and phpMyAdmin. Passionate about enhancing user experience and driven by a desire to continuously learn and innovate. Proficient in Figma for design and JavaScript for development, I am eager to contribute my skills in a challenging internship role.

EDUCATION

Web Developer

FPT POLYTECHNIC COLLEGE, HA NOI
September 2023 - September 2025
